8.0 STATEMENT OF WORK/ REQUIREMENTS

8.1 **The contractor shall perform the following:**

The contractor shall provide portable toilet trailers at Polaris Point, GUAM, and shall service each unit on a weekly basis. Date and time of servicing shall be coordinated between the contractor and the personnel at Polaris Point. The toilets shall be used for personnel on station at Polaris Point. Trailers must be sewer compatible, due to the extreme weather conditions, daily pumping is not feasible. These trailers need to be equipped with sinks, running water, co-ed, handicapped-accessible features. These trailers must have multiple stalls to handle large volumes of personnel. These trailers must contain lighting for non-daylight hours. They are also required to have typhoon restraints. Additional cleaning requests may be needed depending upon the volume of traffic.
